

How to use the Building Partnerships for Landscape-Scale Conservation Tools....

[View the Tools](#)

This guidance and tool can be used from start to finish or be dipped into at different stages. You may have a new programme to start and be considering new collaborations, or already have the big programme but are setting up a new collaboration for a project within that (Steps 1 & 2 of the Collaborative Partnership Tool).

You may be interested in what behaviours and skills may be useful (Step 3 of the Collaborative Partnership Tool). You may be evaluating yourself or the team, hiring and looking to develop skills (Step B & C of the Individual Behavioural Assessment Tool). Here is a quick guide to which steps to jump to.
